

OFFICE OF THE SECRETARY OF DEFENSE

1 September 1981

Memo For  DCI Security  
Committee

*Done:*  
Attached in accordance with your request, is a copy of the DoD policy concerning use of a NdA.

This policy has the concurrence of the OSD General Counsel (Mr. Will Taft, himself) and the Office of the Assistant Secretary of Defense (Public Affairs) (Mr. Charles Hinkle, Director for Security Review and Freedom of Information).

Because of all of the development agonies of the NdA devised during the APEX exercise, the scrutiny that the language had received, and the dictums of the US Attorney General, we could not conceive of changing the format in the DoD without taking advantage of all of those things. Plus, there were millions of the 4193s printed.

Hope this helps.
